LOVE – LOVE
Always LOVE

Father Pastor,

What a shame, Father, that you did not go to the original source for your information. We are of the opinion that you were only repeating hearsay, and that can be very serious. God Himself will judge each one on the “service of love” he has rendered to Christ, to the Church, to the brothers and sisters of humanity!

For a number of years we hungered for spirituality and could find nothing to help us grow in the pure faith, until the blessed day when the Sons of Mary came into our villages, and then, little by little, they taught us the truths of the Roman Catholic faith transmitted to us by the Apostles.

We have read “Life of Love”, the paper “Le Royaume”, and they have enriched us, and strengthened us in Love, in the giving of self for the Church of Christ.

Look at the tree; you will know the fruit. Look at the fruit; if it is good you will know that the tree is good. Look at our Sons of Mary priests; they are exceptional priests, and they are so because the Foundress of the Army of Mary, their spiritual Mother totally loved and directed by God, is Love.

Every day, we thank God and Mother Mary for having brought us to know the divine Work entrusted to Mrs. Giguère – for us, Mother Paul-Marie – who, today, in spite of all the obstacles she has encountered, carries on, evolves, and no man, however high his position, will be able to destroy her, for God is present.

On the first Saturday of each month, at 3:00 p.m., we all gather, the members of the Army of Mary, at 11 rue Guynemer in Chevrières. If you would like, we are inviting you, and we will be happy to pray with you.

In union of prayer, you can rest assured, Father, of our sentiments of respect in the Hearts of Jesus and Mary.
