

A Religious Authority Speaks Up!

“What is happening currently in the Church is nothing new... All the Works of the Church have been fought against...

“In the 12th and 13th centuries, three Works were born: the Works of Saint Francis of Assisi, of Saint Dominic and of Saint Benedict. They were a necessity...

“A Work like this one, something new (the Army of Mary and its associated Works), is a necessity.”

(For the time being, it is necessary to not reveal this Authority's identity, in order to avoid there being reprisals.)

Give Love Back to the World

Mother Paul-Marie has never taken herself for the Blessed Virgin;

it is the Blessed Virgin who took her for Herself,

and Marie-Paule let herself be taken, in order to give Love back to the world.

Our rebirth and our gratitude should stimulate our will to remain faithful to this divine plan of love. May God always come to our aid!

With heartfelt thanks.

Today, August 28, 2005, I went to Spiri-Maria to renew my soul, and a little thing deeply touched me.

I saw spontaneously being uttered on the lips of little children mystical hymns like an intense and customary prayer... What a contrast with the “walkman children”, isolated and bewitched by rock music! This single fact would be enough to authenticate the Work.

There is so very much beauty in this Work of Love. My heart is overflowing with gratitude.
