

Comments Concerning Issue No. 176 of the Paper *Le Royaume*

Quebec, January 5, 2006

Dear Marie-Paule,

We received issue no. 176 of *Le Royaume* yesterday noon and I spent my afternoon reading it. What a wonderful paper, from the first to the last page! All the articles are beautiful and edifying, beginning with the good mother *Noémie* who reminds us of our good grandmothers or mothers who went forward in pure faith and the acceptance of God's will in the events of their lives. Marc Élie is tremendous as well. Earl Masseur's wonderful testimonial, filled with simplicity and humility, helps us discover the beauty of gratuitous apostolate in the service of the Immaculate, as well as his wonderful greatness of soul. Cardinal Ouellet is the link between the two Popes of the Church of Peter and tells us marvelous things in his thoughts on the Eucharist at the end of the Synod of Bishops. However, the Army of Mary is leagues ahead of them in their conclusions and has also been reaping the good effects for a long time; may they realize this and be able to appreciate it some day.

Thank you for the homage paid to our priests who were faithful to the Work and who left us for a better world, particularly for Father Jean-Claude. There is no doubt that his family and our members will appreciate the souvenir pictures as well as the short biography so well presented by Sylvie. I was also quite surprised to see in it my picture given such prominence, but I was happy to see that it could serve as a testimonial in favor of Father Jean-Claude's action in my life. It was his faith in the Work and in Marie-Paule that convinced me to follow in his footsteps. We must admit that his was a blazing soul and that he was an ardent defender of God's Work through Mary Immaculate, for our time. Through his personality and his ministry as a Son of Mary, he did a lot of good to so many souls. The testimonials I received bear witness to this. May he continue to help us and watch over the fidelity of the members, especially his Oblate-Patriots to whom he was so attached.

But the most beautiful of all were the revelations Marc drew from your writings and which render official, for all to see, the greatness of the mystery of Mary and especially of the "little Mary of this Earth". You open the way to the Father's Heart, wishing to lead all your Sons and Daughters there. May we be able to get there! All you have lived and suffered was for us and we are well aware of it. Jesus gave us Heaven and you are giving us "Paradise", the new earth and the new heavens for us. Adam and Eve, created by the Father, lived a love and an intimacy with the Father; you are the first one to return to Him. This means then that the world has really been totally redeemed and that it will be possible for each one of us to reconquer the state of innocence of the beginning by imitating your *Life of Love*. We give thanks to God the Father and Mary Immaculate who gave us their Daughter who is but one with the Father and the Mother and the Son.

The fall of Adam and Eve to the depths was vertiginous and it was through an ascent to the Heights that was just as vertiginous that you have ascended to the point of reaching the Father's Heart from whence they came. What gratitude we owe you for this tremendous conquest! Thank you on behalf of each one of us, thank you on behalf of the entire world that will call you Blessed forever. What a Marian Apocalypse and what a triumph, confirmed by the Eternal Father! Therefore, you have become **High Priest** between the Father and all of us, in the same capacity as the Son. With God, everything works in pairs: no Redeemer without the Co-Redemptrix, no Mediator without the Mediatrix, no male Advocate without his female counterpart, no King without a Queen. We will need to keep that in mind when we will direct our prayers to heaven, the prayers of the Church to God.

We will impatiently wait for the little **White Paper** that will preserve for our generation and the generations to come the wonders which God worked for you and for us. The Eucharist, Mary and the Pope are but **one single** Whiteness, a *unique* Power, one single Person in Mary Immaculate, the *Lady of All Peoples*, our Co-Redemptrix. Yes, may the Lady of All Peoples **who once was Mary** be our Advocate! May the Spirit of Mary now come upon the world to change the face of the Earth and bring to it, love, peace and joy. May the Church blossom again in the true faith and may **God and Mary Immaculate bless the Sons and Daughters of Mary, multiplying them so that they become as numerous as the sand of the sea and the stars in the sky.**

Now that the crossing of the "Red Sea", that of the Red Dragon, has been accomplished, the enemies who will want to continue their misdeeds will be swallowed up with their misdeeds. Already, the intimate thoughts and deeds of a great many are known to us and recorded for posterity. The Church of John, of the Holy Spirit, is taking flight like a huge Eagle towards the highest summits of spirituality, of holiness. "And PEACE on earth to men of good will!"

May the social reign of Mary on this Earth now come, as it was so well presented and described by Father Jean-Claude. This year marks the 35th anniversary of the founding of the Army of Mary, the 25th anniversary of the founding of the Family and the Community of the Sons and Daughters of Mary, as well as the 20th anniversary of the Work of the Oblate-Patriots of which Father Jean-Claude was the first national chaplain. **A great year for Heaven and Earth** which, since May 31, 2005, have been working very closely together. To set right all that Satan has cast upon this earth is a huge task and men on their own could never complete it. May the Father and Mary Immaculate grant us the assistance of Heaven; may the Army of Mary in heaven join with the Army of Mary of this Earth and Victory is assured. The coming of the most beautiful, the greatest prophecy by Mary for our time: **In the end, my Immaculate Heart will triumph!**

We give you thanks for everything! Thank you, Marie-Paule, and deepest gratitude!

Father André Guillemette, O.F.F.M.
